The DORCAS Magazine for November offers its readers an unusually attractive array of illustrated directions and suggestions for needle-work, such as will give them valuable assistance in making articles for home decoration or Christmas gifts, and saleable goods for the benefit of those who support themselves. To the former constituency, Mrs Laura B. Starr's eighth paper in her "Home Decorations" series, and Madge Hepworth Dixon's chapter on Darning Work, in which she describes some beautiful covers, scarfs, etc., will perhaps be most acceptable, while to the latter, directions for making a great variety of seasonable knitted and crocheted articles, tied work, Breton embroidery, cheap and pretty nursery baskets and shell work will be most helpful. She is indeed a dull woman whose house is not more beautiful, her friends no richer or her purse no heavier after a visit from DORCAS.

THE BEST

boon ever bestowed upon man is perfect health, and the true way to insure health is to purify your blood with Ayer's Sarsaparilla. Mrs. Eliza A. Clough, 34 Arlington st., Lowell, Mass., writes: "Every winter and spring my family, including myself, use several bottles of Ayer's Sarsaparilla. Experience has convinced me that, as a powerful

Blood

purifier, it is very much superior to any other preparation of Sarsaparilla. All persons of scrofulous or consumptive tendencies, and especially delicate children, are sure to be greatly benefited by its use." J. W. Starr, Laconia, Iowa, writes: "For years I was troubled with Scrofulous complaints. I tried several different preparations, which did me little, if any, good. Two bottles of Ayer's Sarsaparilla effected a complete cure. It is my opinion that this medicine is the best blood

Purifier

of the day." C. E. Upton, Nashua, N. H., writes: "For a number of years I was troubled with a humor in my eyes, and unable to obtain relief until I commenced using Ayer's Sarsaparilla. I have taken several bottles, am greatly benefited, and believe it to be the best of blood purifiers." R. Harris, Creel City, Ramsey Co., Dakota, writes: "I have been an intense sufferer, with Dyspepsia, for the past three years. Six months ago I began to use

AYER'S Sarsaparilla

It has effected an entire cure, and I am now as well as ever."

AN EXTRAORDINARY OFFER.

To All Wanting Employment.

We want Live, Energetic and Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, on ITS MERITS. An article having a large sale, paying over 100 per cent profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents and the fact that it is an article that can be sold to every house-owner, it might not be necessary to make an "EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but in its salability by any agent that will handle it with energy. Our agents now at work are making from $150 to $600 a month clear and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial and fail to clear at least $100 in this time, ABOVE ALL EXPENSES, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like ten or more counties and work them through sub-agents for ninety days and fail to clear at least $750 ABOVE ALL EXPENSES, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed; and but two sales a day would give a profit of over $125 a month, and that one of our agents took eighteen orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three one cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and carpenters in the country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money. KENNER MANUFACTURING CO.,
116 Smithfield St., Pittsburg, Pa.

Items of Interest.

Miss Kate Sleely of West Point, Ind., set the town talking the other day by publicly thrashing Postmaster Kiser. This done she went before a Justice, pleaded guilty to an assault, was fined $5 and costs, and paid it "like a man." The trouble grew out of a case in which she was a witness against Kiser.

My wife's hands were very much swollen and distorted with rheumatism and the pain was almost unendurable. After using several bottles of your Athlophoros the pain and swelling are gone and she is well. John B. Miller, 110 Kerr street, Columbus.

It is said that the man who lives on the Kagy farm in Northwestern Ohio is making arrangements to continue farming all winter, on account of the immense heat from the big natural gas well there. He is now preparing to put in spring crops. Who knows what possibilities are bound up in natural gas! With a system of pipes underlying the soil, and several wells so situated as to take advantage of the prevailing winds and giving forth their heat to the air, why may we not have in the gas regions farms that shall yield the products of the tropics, and pumpkins and oranges, white beans and spices grow together in loving harmony? In a word, why may we not look to see the garden of Eden renewed along the gas belt?—Jamestown Journal.

Forty years' experience, in every clime, has proved Ayer's Cherry Pectoal to be the most reliable remedy for colds, coughs, and lung diseases. Colds should not be neglected. The Pectoral will prevent their becoming deep-seated in the system.

Two California tramps who took possession of John Joy's granafy, near Chualar, helped themselves to some poisoned wheat which had been prepared for squirrels. Joy had hard work to keep them alive until the doctor came and gave them antidotes.

Tone up the system by the use of Ayer's Sarsaparilla. It will make you feel like a new person. Thousands have found health, and relief from suffering, by the use of this great blood purier, when all other means failed.

Many Years

Mr. R. FOSTER, 220 Main street, Terre Haute, Indiana, suffered from Neuralgia, and found no relief till he used ATHLOPHOROS, then in one day's time the pain was all gone.

Sometimes **ATHLOPHOROS** will not act as quickly as in this case, but it is sure and the more severe the pain the more quickly it will act. There is no disease more common and none more intensely painful than neuralgia. Ladies particularly are subject to headaches of neuralgic origin. Neuralgia in any form can be surely cured. **Athlophoros is absolutely safe and absolutely sure.** Thousands who have suffered intensely with neuralgia and been cured by the use of **Athlophoros** prove the truth of this statement. Is it not worth a trial in **your case?**

Ask your druggist for **Athlophoros.** If you cannot get it of him we will send it express paid on receipt of regular price—$1.00 per bottle. We prefer that you buy it from your druggist, but if he hasn't it do not be persuaded to try something else, but order at once from us as directed.
